We know your design project is an investment and we want to ensure that each client receives the red-carpet treatment.

Our friendly and experienced staff is here to guide you through the process to help bring your project to life.

Throughout our history, we have emphasized the use of state-of-the-art equipment and technology in our facilities. Offering the best fabrication tools increases our production capacity and overall customer satisfaction.

Stone Creations Inc. offers the best in professional quality, attention to detail and reliable service.

Welcome! When you visit us at **Stone Creations Inc.** you will have the opportunity to look at various countertop materials and design options. With the help of one of our experienced staff members, we'll make the process easy and fun!

After choosing the materials that suit your space best, we'll work with your kitchen and bath dealer to create an estimate for your unique project. Upon review, you will sign a contract that guarantees your materials, production and installation scheduling.

Agreement

Template

A template date will be scheduled following the agreement. Our skilled template technicians will come to your home to precisely measure for your new countertops.

The template is digitized and any adjustments are made. Your handpicked material is then cut with state-of-the-art technology to ensure phenomenal detail and accuracy. Once cut, the material is edged, polished and quality checked.

Fabrication

Installation

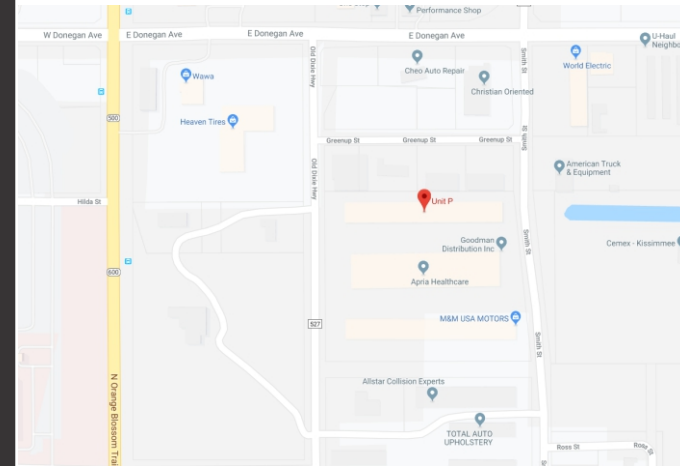

The day you are waiting for is finally here! Our highly experienced installation team will arrive at your home during the time specified to safely install your countertops and review important information regarding the care of your new surface.

At Stone Creations Inc. we pride ourselves on 100% customer satisfaction. We are here to ensure that each client receives our utmost attention and our knowledgeable staff has helped bring your design vision to life. We love to hear about our customers' experiences and hope to serve you again in the future!
